Michele Marcon designer

La camera da letto: uno spazio dove si vive, si dorme, si sogna. Lo spazio che – per eccellenza – diventa un'estensione del gusto e della personalità di chi lo abita: quasi una concretizzazione della sua idea di sogno. Ballancin propone tre ambientazioni, per tre mood: **Natural Chic**, che unisce alla luminosità e alla leggerezza del design di ispirazione scandinava la raffinatezza di materiali pregiati. **Contemporary**, orientata alla ricercatezza – e a un certo cosmopolitismo – ma anche alla scrupolosa attenzione al dettaglio. E infine **Timeless**, che reinterpreta in chiave attuale i grandi classici dell'arredamento.

The bedroom: a place where one lives, sleeps, dreams. This space - par excellence - becomes an extension of the taste and personality of the one who lives there: almost like a dream come true. Ballancin offers three settings, for three moods: **Natural Chic, which combines the refinement of precious materials with the brightness and lightness of Scandinavian-inspired design. **Contemporary**, oriented towards sophistication - and to a certain extent cosmopolitanism - but also with scrupulous attention to detail. And finally **Timeless**, a modern reinterpretation of great classic furniture.**

NATURAL CHIC

mood in the rooms

Un mood ispirato alla **natura** e alle **forme essenziali**. Legni e laccati sono in tonalità chiare: **bianco puro, canapa, rovere naturale, sabbia, salvia, ariglia**. Il tessuto è il **lino**, nei colori **cipria, ecrù, melanzana e polvere**, assieme al **marmo di Carrara Bianco**. La paletta consigliata gioca con **tinte polverose e pastellate**, scaldate da accenti **terracotta e senape**. Gli abbinamenti ideali sono con **complementi nomadi e trasformabili** e con piccoli oggetti in **materiali naturali**: contenitori dalle **forme morbide**, vasi o ciotole **lavorate a mano**, ceramiche **grezze**.

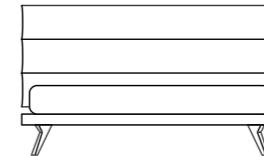

A mood inspired by nature and essential forms. Wood and lacquers are in light tones: pure white, hemp, natural oak, sand, sage, clay. The fabric is linen, in light dusty pink, ecru, aubergine and powder, together with white Carrara marble. The recommended palette plays with dusty, pastel shades, warmed by terracotta and mustard tones. The ideal combination is with nomadic, transformable furnishings and objects made of natural materials: boxes with soft shapes, handmade vases or bowls, crude pottery.

CONTEMPORARY

mood in the rooms

Contemporary è un mood di ispirazione **urbana**. La paletta di base è nelle **tinte fredde** – dal **blu**, al **grigio**, al **nero** – rese ancora più incisive dalle **forme geometriche e pure** e dai **grafismi**. Le tonalità del **cuoio** intervengono a “scaldare” l’insieme. I legni sono il **carbone** abbinato a **muschio**, **terra**, **creta**, **grafite** e **ferro**. I tessuti, sono **velluti colore cemento** e **antracite** ed **ecopelli** colore **pistacchio** e **mattone**. I complementi da abbinare sono quelli dal **design più attuale**.

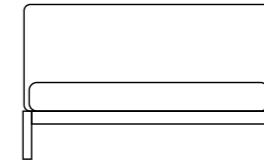

Contemporary is a mood with urban inspiration. The basic palette consists of cold colours - from blue to grey, to black - rendered even more effective by the pure geometric shapes and graphic elements. The hues of the leather bring warmth to the collection. The wood is carbon black combined with moss, earth, clay, graphite and iron. The fabrics, are velvet in the colours of cement and anthracite and faux leather in pistachio and brick. Furnishing accessories with a contemporary design are a perfect match.

Made to last

La leggera *curvatura* del ring, abbinata alla *rastrematura delle gambe*, e il *morbido equilibrio* della struttura *snella e sfaccettata*, danno carattere al letto Lauren, rendendolo adatto anche a una collocazione *free standing*.

The light curvature of the ring, in combination with the tapering of the legs, and the subtle balance of the streamlined and multifaceted structure, lend character to the Lauren bed, making it also suitable for a freestanding position.

dynamism

Una struttura *leggera* ma *organica*, un progetto che gioca sul *contrasto fra i materiali* - legno e metallo bronzo - e sulla differente geometria di top e base. Il *dinamismo* delle gambe si estende lungo i fianchi del mobile.

A light but fluid structure, a design based on materials contrast - wood and bronze metal - and the difference geometries between top and base. The structure dynamism extends along the sides of the furniture.
